A.1. A grievance is claim by an employee or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions and practices directly affecting the working conditions of an employee or a group of employees.

2. An "aggrieved person" is the person or persons of the Association making the claim.

3. The term "grievance" and the procedure relative thereto shall not be deemed applicable in the following instances:

a. The failure or refusal of the Board to renew a contract of a non-tenure employee.

b. In all such matters that are clearly subject to applicable law and beyond the scope of the Board's authority and limited to action by the Board alone.

B. A grievance must be filed within thirty (30) calendar days of its occurrence or such grievance shall be deemed to constitute abandonment of the grievance.

C. Any employee shall have the right to present his grievance through the process described in the following steps. He shall have the right to present his own appeal or to designate representatives of the Association or another person of his choosing to appear with him or for him at any step in the appeal.

D. No reprisals shall be taken, by either party, against any participants in a grievance.

STEP 1. An employee or employees with a grievance shall file, in writing, the grievance with the principal, either directly or through the Association, with the objective of resolving the matter. A decision shall be rendered within five (5) school days after the presentation of the grievance.

STEP 2. 1. The Board may remove any employee from her duties for any of the following reasons:

appointment of an impartial third physician whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue in the performance of duties. In the event of the inability of the employee and the Board to agree upon the appointment of the third physician, such appointment shall be made by the Bergen County Medical Society. The expense of any examination by an impartial third physician shall be shared equally by the employee and the Board.

The Board shall require said employee to produce a certificate from her physician in support of the requested leave dates. The physician's certification is subject to agreement by the Board's physician. Where medical opinion is supportive of the leave dates requested, such leave shall be granted by the Board. The Board may change the requested dates upon finding that the grant of leave for the dates stipulated and medically confirmed would interfere with the administration of the school.

After a leave has been approved, the commencement or termination dates thereof may be further extended or reduced upon application by the employee to the Board. Such extensions or reductions shall be granted by the Board for an additional period of time provided, however, that the Board may alter the requested dates upon a finding that such extension or reduction would interfere with the administration of the school and/or with the education of the pupils and, provided further, that such change by the Board is not medically contraindicated.

Any extension shall be limited to one additional school year. A request for extension of leave must be made at least three (3) months prior to the expiration of the first leave.

3. The Board is under no compulsion to continue the employment of a non-tenure employee beyond the contracted period. The leave period shall not be counted for tenure purposes.

4. Advancement on the salary guide shall be based upon the date of commencement of the leave of absence. The employee will be granted a full salary guide step if she is in attendance for more than 100 working days. Attendance for 100 days or less shall result in no advancement on the salary guide.

B.1. The Board shall have the right to require an employee who desires to return to her duties to produce a certificate from her physician stating she is capable of resuming duties. In the event of a difference of opinion between the employee's physician and the Medical Examiner of the Board relative to the resumption of duties by said employee, the Board shall pay the expenses for an examination by an impartial third physician.

2. Failure of the employee to resume duties on the agreed upon return date may constitute grounds for dismissal.

C.1. In the case of a birth or adoption placement of a child, any employee may request a leave without pay for child rearing purposes. Such request shall not be unreasonably denied by the Board.

2. In cases where both husband and wife may be employees of this school system, only one of said persons shall be entitled to such leave.

3. In the case of female employees, the application for child rearing leave may be made to become effective immediately upon termination of the anticipated disability leave.

4. Child rearing leave if approved, shall be granted for a period of up to the end of the school year in which the birth or adoption placement of the child occurs, but such leave may upon the request of the employee and approval of the Board, be extended for two additional years provided the initial leave period commences subsequent to May 1. If the initial leave is granted prior to May 1, only a one year additional extension will be considered by the Board. Such extension shall not be unreasonably denied. Requests for extensions of such leaves must be made at least three (3) months prior to the expiration of the first period thereof.

5. Where a child rearing leave is requested, the employee requesting such leave shall not be permitted to return to the school system following such leave during the last month of the school year.

6. Applications for child rearing leave shall be filed at least three (3) months before the anticipated birth or adoption placement of the child.

7. Where an employee who has been granted a child rearing leave returns to the system at any time other than the start of the school year, such employee may be assigned to any position decided upon by the Superintendent as long as such assignment is within the capabilities or certification of such employee.

8. Anything to the contrary, notwithstanding, a child rearing leave granted to a non-tenure employee need not be extended beyond the end of the contract school year in which the leave is obtained.
